Memorial Plaques Form for Wording

Wording for plaques must be submitted in written form. You can use this form to let us have the wording, or use it to experiment, then submit the wording by email or on another sheet of paper.

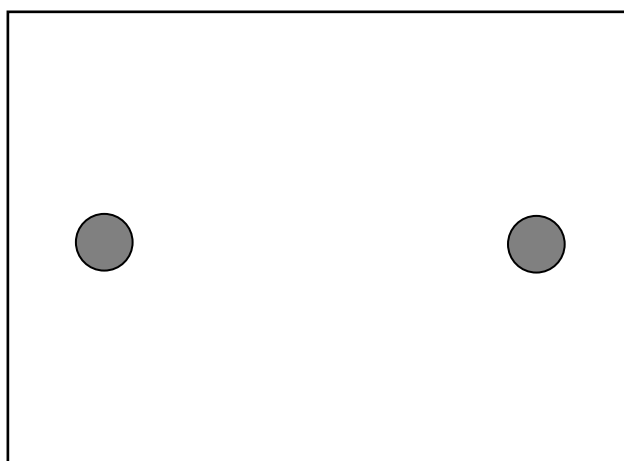

Please write clearly, providing accurate spelling, punctuation and capital letters. There is a limit as to how small the lettering can be. Our default font is Times New Roman; other fonts can be chosen.

The shapes on this form are at 75% of actual size.

Proofs: If you have provided an email address, a digital proof will be sent to you to check before we commit to the slate. If you do not use email, please let us know if you would like to see a proof.
